

## What is a School-Home Compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach grade level standards.

### Effective Compacts:

- Link goals to the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies families can use at home
- Explain how teachers and families will communicate progress

## Jointly Developed

The families and staff of Millington Primary developed the School-Parent Compact. Teachers suggested home learning strategies, and families added ideas to make them more specific. Meetings and events are held each year to review the compact and make changes based on student and family needs.

## Activities to Build Partnerships

Millington Primary has a Family Engagement Plan that includes, but is not limited to:

- Open House
- Parent-Teacher Conferences
- Honors Programs
- Curriculum Night
  - Literacy
  - Math
  - Science

## Communication About Student Learning

Millington Primary School is committed to frequent two-way communication with families about students' learning. Some of the ways you can expect us to reach you are:

- Weekly communication folders
- Student Planners
- Updates on the school website
- Current grades in Skyward
- Parent-Teacher Conferences in the fall and in the spring
- Weekly and Monthly Newsletters
- Remind Messages
